The ULTIMATE in RV warranty protection plans

3 ULTIMATE PLANS covering you up to the wholesale value of your RV. Pick one that best suits your needs.

- PREMIER PLUS: Basic powertrain and coach coverage.
- DELUXE DRIVE: **Extended** powertrain and coach coverage.
- ULTRAMAX: Bumper to bumper plan.

THE FOLLOWING BENEFITS ARE INCLUDED ON ALL PLANS:

TOWING: Reimbursement shall be made to you up to a maximum of \$200 per occurrence for towing expenses incurred due to a mechanical failure and/or breakdown covered in your agreement.

ROADSIDE ASSISTANCE:

Reimbursement shall be made to you for up to \$75 per occurrence to a term maximum of \$300 including taxes.

- Winching service for your covered vehicle stuck in snow, mud or on the side of the road.
- Battery boosting service to start your covered vehicle.
- Emergency fuel delivery service for your covered vehicle that has run out of fuel (fuel extra).
- Flat tire service for your covered vehicle for the installation of a spare.
- Vehicle entry service (locksmith services) for your covered vehicle should the keys be lost or locked in the vehicle.

TRIP INTERRUPTION: Reimbursement shall be made to you up to \$300 maximum with a \$100 maximum per day for lodging, meals, bus or taxi, if you are more than 150 kilometers away from home (one way) and an authorized repair facility cannot provide same day emergency service covered under your agreement.

CAR RENTAL: Reimbursement shall be made to you for car rental expenses incurred due to a mechanical breakdown and/or failure covered under your agreement. Prior approval must be obtained and valid receipts must be submitted for reimbursement. Benefits will be limited to the following schedules and must include an overnight repair. Reimbursement is up to \$50 per day to a maximum of \$200 for the term of your agreement. Labour hours: reimbursement 0 to 8 hours and overnight.

FOOD SPOILAGE: Reimbursement shall be made to you up to \$75 (receipted expenses) for food and liquid spoilage due to covered breakdown of your RV's factory installed refrigerator or freezer.

PREMIER PLUS:

ENGINE: ALL internally lubricated parts including: Engine block, cylinder heads, crankshaft and main bearings, crankshaft gears, connecting rods and bearings, camshafts and bearings, camshaft gears, cam followers, push rods, pistons, rings and pins, intake and exhaust valves, valve springs and retainers, guides, lifters, valve seats, valve seals, rocker arms, shafts and pivots, bushings, oil pump and housing, shaft, water pump, timing chain or belts, timing belt, cover, timing belt tensioners and guides, timing gears, oil pan, valve covers, intake manifolds and plenums, exhaust manifolds, harmonic balancer and pulley, engine mounts, engine torque struts, flywheel/flexplate, dip stick and tube, oil pressure sending unit, temperature sending unit, and seals and gaskets. A surcharge applies to DIESEL engine coverage and includes all of the above applicable parts PLUS fuel injectors, fuel injection pump and vacuum pump.

TURBOCHARGER / SUPERCHARGER (Surcharge applies): ALL internally lubricated parts including: Housing, waste gate controller, intercooler, hard lines and bearings, compressor, clutch, bearings, pulley, by-pass valve, coolant pump, ducting, seals and gaskets. (NOTE: Turbocharged engines must use turbo-rated oil).

TRANSMISSION (AUTOMATIC): a) ALL internally lubricated parts including: Housing, torque converter, valve body, gear sets, main and intermediate shafts, bearings, clutches, bands, vacuum modulator, electronic shift control unit, oil pump, oil pan, oil cooler, governor, flexplate, dip stick, tube and transmission mounts, seals and gaskets. **TRANSMISSION (STANDARD): b)** ALL internally lubricated parts including: Housing, main and intermediate shafts, gear sets, synchronizer rings, shifter fork, bearings, flywheel, ring gear and transmission mounts. Excluded: manual clutch, pressure plate, clutch bearing, external linkages and shifter.

DIFFERENTIAL: a) FRONT WHEEL DRIVE VEHICLES (Transaxle): ALL internally lubricated parts including: Housing, main shafts, crown and pinion, pinion gears, bearings, differential cover, drive shafts, axle shafts, constant velocity joints, constant velocity boots, universal joints and mounts. **b) REAR WHEEL DRIVE VEHICLES (Differential):** ALL internally lubricated parts including: Housing, carrier gear and case, drive pinion, pinion gear, ring gear, bearings, cover, drive shafts, axle shafts, constant velocity joints, constant velocity boots, universal joints and mounts.

TRANSFER CASE: ALL internally lubricated parts including: Case, gears, sprockets, chains, bearings, and encoder motor.

SEALS & GASKETS: ALL (Powertrain) seals and gaskets within the listed covered parts.

TOWING: Up to \$200 for mechanical breakdown.

ROADSIDE ASSISTANCE: Winching, battery boosting, emergency fuel delivery, flat tire, vehicle entry. Up to \$75 per occurrence to a maximum of \$300 including taxes.

TRIP INTERRUPTION: \$100 per day to a maximum of \$300 for lodging, meals, bus or taxi.

CAR RENTAL: Up to \$50 per day to a maximum of \$200.

FOOD SPOILAGE: Up to \$75 due to a covered breakdown.

WATER HEATER: Burners, burner assembly, igniter, hot water tank, thermostat, thermocouple, gas valve, pressure relief valve, bypass valves, electronic ignition assembly, PC boards, heating elements, control panel, switches, fittings, connections, seals and gaskets.

WASTE SYSTEM: Shower, toilet (excluding electrical toilet), toilet vacuum breaker, toilet float assembly, toilet ball valve, toilet slide valve, water inlet valve, sink, holding tanks, gate valves, connections, fittings, seals and gaskets.

FRESH WATER SYSTEM: Water pump, compressor, water tanks, water lines, traps, fittings, connections, probe harness, drains and faucets, seals and gaskets.

AIR CONDITIONING / VENTILATION (Central air or roof mounted): Compressor, evaporator, capacitors, relays, thermostat, condenser, accumulator, expansion valve, hi/lo cut off switches, pressure cycling switches, receiver dryer, blower motor, switches, electronic module, ventilation/air conditioning fans, heat pump, heat strips, reversing valve, ducts, control panel, PC board, seals and gaskets.

RANGE & OVEN: Burner, burner assembly, burner valves, oven control valve, igniter, ignition assembly, thermostat, thermocouple, power hood, LP fittings and connections, PC board, microwave oven, seals and gaskets.

LIQUID PROPANE GAS SYSTEM: Valves, regulators, gauges, mounting brackets, propane lines, fittings, switches, shutoff system, LP detector, gas bottles, gas bottle valve, seals and gaskets.

HEATING SYSTEM: Furnace, heat exchanger, igniter, burner, burner assembly, thermostat, thermocouple, gas valve, LP fittings, connections, reversing valve, heat pump, heat strips, blower motor, control board, PC board, fan, time delay relay, switches, seals and gaskets.

REFRIGERATOR: Thermostat, thermocouple, compressor, evaporator, condenser, cooling unit, blower fan, burner, burner assembly, igniter, elements, switches, eyebrow board, lower board, LP fittings, connections, control panel, PC board, seals and gaskets.

AUXILIARY POWER PLANT (Factory installed): All internally lubricated parts of the power plant engine including but limited to: engine block and cylinder head, pistons, piston rings, pins, crankshaft, main bearings, connecting rods, rod bearings, rocker arms, valve springs, guides, seats, oil pump, cam shaft, timing chain, gears, generator assembly, power converter, inverter, voltage regulator, gauges, starter motor, starter switch, interior monitor and control panel, PC board, hour meter, electrical system, outlets, transfer switch, seals and gaskets.

CONVERTER / BATTERY CHARGER: Cooling fan and motor, electric relays, circuit boards.

ELECTRICAL SYSTEM (Factory installed): 12/110/220V electrical system including power converter/inverter, outlets, monitor panel, modular circuit boards, power cable, electric heater and switches.

AWNINGS: Mechanical spring assembly (excluding cover), torsion bar and motor.

POWER STEPS & POP-UP MECHANISM: Mechanical, electrical or hydraulic components of the crank assembly including cables, motor assembly, bearings, power switch relay, connector seals, and circuit boards.

SEALS & GASKETS (Coach): All seals and gaskets within the listed covered parts for new vehicles. On used vehicles, seals and gaskets are covered only if required in conjunction with the repair or replacement of a listed covered part.

DELUXE DRIVE:

Coverage includes all of PREMIER PLUS and:

WEAR & TEAR: ALL listed part failures caused by normal wear and tear.

FRONT & REAR SUSPENSION SYSTEMS: Upper and lower control arms, upper and lower ball joints, control arm shafts, stabilizer shafts, linkage and bushing, radius arms and bushings, torsion bar and bushings and mounts, wheel bearings, electronic load leveling compressor motor, lines, limited valve. Variable dampening suspension: compressor, control module, actuator, solenoid height sensor, mode selector switch, lines, seals and gaskets.

STEERING SYSTEMS: Steering gear box housing, rack and pinion, power steering pump and pulley, fluid reservoir and steering gear, inner tie rod ends, outer tie rod ends and bellows, main shafts, intermediate shafts, pitman arms, idler arms, centre link, steering knuckle (spindle) and support, king pins and bushings, oil cooler and lines, relays, tilt steering mechanism, power cylinder, control valve and cylinder, seals and gaskets.

AIR CONDITIONING: Compressor, clutch assembly and pulley, condenser, evaporator, accumulator, receiver dryer, expansion valve, orifice tube, idler pulley, bearings, POA valve, hi/lo pressure cut off switches, pressure cycling switches, temperature/climate control module(s), blower motor, ducts, PC board, seals and gaskets.

HEATING & COOLING: Radiators, radiator fan motor, radiator fan motor blades, fan shroud, heater core, fan, clutch assembly, heater control valve, coolant recovery unit, water pump including impeller shaft, bearings and bushings, heat ducts and cabins, seals and gaskets.

FUEL AND INJECTION SYSTEMS: Fuel pumps, nozzles, fuel injection and distribution pumps, fuel tank, sending unit, fuel injectors, rails, auxiliary fuel switch, metal fuel lines, pressure regulators, fuel tank selector valve, seals and gaskets.

BRAKING SYSTEM: Master cylinder, power brake cylinder, vacuum assist booster, hydro boost, power assist booster and pump, proportioning valves, wheel cylinders, backing plates, return springs, front and rear calipers, hard lines and fittings, parking brake linkage and cables, hydraulic control unit, rear actuators, electronic control processor, pressure modulator valve, isolation dump valve and accumulator, seals and gaskets. A surcharge applies to AIR BRAKES coverage and includes: Compressor, diaphragm, treadle, front disc calipers, rear disc calipers, compensating valve, and slack adjusters.

ELECTRICAL SYSTEM (Factory installed): Distributor and coil, front and rear windshield wiper motors and switch, washer pumps and switches, battery paralleling switch, heater motor and fan, electronic ignition module, ignition switch and lock cylinder, pick up coil, horn and horn assembly, starter motor, solenoid, starter drive, alternator and voltage regulator.

HI-TECH & POWER ACCESSORIES: Cruise control servo, transducer, engagement switch and cable, daytime running light module, power window motors, power window regulators, power window switches, keyless entry systems (excluding remotes), door control module, power door lock actuators and switches, power seat motors, power seat switches, power antenna motor, exterior mirror motors and switches, rear defogger switch, turn signal switch, stop lamp switch, dual battery paralleling switch, backup alarm, head lamp switch, digital and analog dash instrumentation, engine control module, manual heater/air conditioner control assembly, manually operated electric switches, automatic climate control programmer, mileage computer, cruise control modules, cruise control amplifier, power train control module, head lamp motors, power mirror motors, body control module, blower motor resistor, rear defrost grid (excluding glass replacement), power sunroof motor, fuel injection control module, PC boards, relays, and dash clock.

ULTRAMAX bumper to bumper plan
includes PREMIER PLUS & DELUXE DRIVE
coverage PLUS:

SLIDE-OUT ROOMS / RAISED ROOF EXTENSION SYSTEM:
Mechanical, electrical or hydraulic slide-out room extension system and raised roof extension system, motors, pump/jack assembly, lines, fittings, cylinders, worm gear, electric switch, lines. Slide seals in conjunction with a covered repair only.

LEVELING / JACK SYSTEM (Factory installed): Mechanical, electrical or hydraulic components of the hydraulic coach leveling/jack system including all motors, pump/ jack assembly, lines, cylinders, electric switch, fittings and lines.

DELUXE APPLIANCES / ELECTRICAL / ACCESSORIES (Factory installed): Freezer, ice maker, garbage disposal, trash compactor, water purifier, fireplace igniter and controls, dishwasher: drive motor, pulley, heating element, and water pump; washer and dryer: drive motor, transmission, pulley, heating element, igniter, main controls, blower, and water pump; central vacuum cleaner system: electric motor, armature and relays; factory installed monitor, camera and back up system, electronic/remote entrance, central locking system, power seat system, seat tracks, spot light system, interior and exterior light fixtures (excluding light bulbs), electrical outlets, switches, dimmers, timers, panel breakers, panel box, thermometer, thermostat, hood and door hinges, handles, self-adjuster springs, door locks, carbon monoxide alarm and sensor, smoke detector and sensor and propane leak detector and sensor.

DELUXE AUDIO / VIDEO / HI-TECH (Factory installed): Satellite, television, including Plasma & LCD models (maximum term replacement or repair of \$1,000), GPS, CD, VCR, DVD, and rear stereo system (excluding speakers) and power antenna motor.

PLUS: ALL ORIGINAL factory installed mechanical and electrical parts, components, and assemblies of your recreational vehicle covered during the original manufacturer's full warranty program* including wear and tear.

ULTRAMAX

WHY CHOOSE GLOBAL WARRANTY?*

We provide MORE combined parts coverage than any of our competitors nationwide on similar plans! Check it out for yourself!

Global is the ONLY warranty provider in Canada that offers WEAR & TEAR on both the coach & powertrain.

You can't afford not to choose Global! With the rising costs of RV components, repair bills, lost leisure time, and the inconvenience of a breakdown, not only will Global repair or replace the covered part, but we will provide you with other benefits such as car rental, towing, roadside assistance, food spoilage, lodging, meals, bus, taxi & more-giving you TOTAL peace of mind!

Your RV is covered from DAY ONE, ANYWHERE in North America!

Global is the only one in Canada that offers UNLIMITED kilometer coverage on ALL our plans!

Choose one of 3 plans: PREMIER PLUS, DELUXE DRIVE or ULTRAMAX bumper to bumper extending the original manufacturer's warranty covering all original factory installed parts, components, and assemblies of your RV (in the event of breakdown) PLUS wear & tear!

Claims service is a phone call away. Global pays the repair centre directly, saving you TIME and MONEY.

Our plans are affordable and competitively priced. Select the one that suits your needs.

With over 25 plus years in the warranty business, we have paid out tens of millions of dollars in claims to happy customers!
